time

Only the choicest, extra  
large Holland and American  
bulbs are presented by Lambert  
Gardens — for the larger the  
bulbs the larger the blossoms.  
Come by, call, or order by mail  
now for planting in November;  
bone meal and bulb  
planting tools are featured,  
too, at popular prices.

Please use the enclosed order blank  
when ordering by mail — just fill in  
and post — we pay the postage.
